Diversity synonym list

See the US Definition of Diversity See the UK English definition of diversitySee the Spanish definition of diversidad1iversity of abstract design stylesSYNONYMSvariety, miscellany, assortment, mixing, melange, gamma, matrix, medley, multiplicity, variance, diversity, diversification, variegation, heterogeneity, difference, difference, unlike, dissillitude, dissillitude, distinctiveness, contrast 1 the quality or state of being composed of many different elements or types of the diversity of plant life on this tropical island is surprising 2 quality or state of being different there is considerable diversity on the platforms for the two big parties contrast, difference, disagreement, discrepancy, disparity, dissilly, dissillitude, distance, distinction, distinctiveness, distinction, diversity, unlike, unlike implausibility, discriminability, change of distinction, modification, disproportion of variation, imbalance, inequality, equality of girls, equivalence, homogeneity of equivalence, homogeneity, uniformity Page 2 It is in this climate that TechCrunch is reporting our events of 2019 and numbers of diversity we started tracking – which can be seen below. diversity(n)A change is a step from one state or form to another, any act or process by which something becomes different from what it was before, or such an implausia; we say that a change was taking place, or the change that had been made was evident. Mutation is a more formal word for change, often suggesting repeated or continuous changes, like, the mutations of fortune. The novelty is a change in what is new, or the novelty of what a change is made to, like, it was perpetually desirous of novelty. The revolution is specifically and most commonly a change of government. Variation is a partial change of shape, qualities, etc., but especially in position or action; such as the variation of the magnetic needle or the pulse. Variety is a succession of changes or a mixture of different things, and you always think it's nice. Vicissitude is an acute, sudden or violent change, always considered so surprising and often as disturbing or distressing; like, the vicissitudes of politics. The transition is the change happening from one place or another, especially in a natural, regular or orderly way; like, the transition from spring to summer, or from youth to manhood. An innovation is a change that bursts into an established order or custom; such as an innovation in religion or politics. For distinctions among other words compare synonyms for CHANGE. v. In the religious sense regeneration is the vital renewal of the soul by the power of the Divine Spirit; conversion is the conscious and manifest change from evil to good, or from a lower spiritual state to a higher spiritual state; how, in Luke xvii. 32, when you are converted, strengthen your brothers. In the conversion of popular use is the most common word to express the regeneration system. Synonyms: alteration, change, change, conversion, innovation, mutation, novelty, regeneration, renewal, renewal, revolution, transformation, transition, transmutation, variation, variety, vicissitaAntonyms:constancy, permanence, firmness, fixation, fixation, identity, invariability, permanence, firmness, invariable, uniformityPreposition: We have made a change for the better; the change from winter to spring; the change of a liquid to or in a gas; a change in quality; a change by absorption or oxidation. aboutexamplestemprivacy & amp; amp; cookie policyPower Thesaurus © 2021 Different from everyone else; unusual: (Mathematics) Do not approach a limit; non-converging.
